PROJECTS

MY OWN PORTFOLIO

Design and develop my portfolio to effectively showcase my top projects and highlight my expertise in different skills.

ACERS

Led a team of 4 members to develop a state-of-the-art e-learning platform using HTML, Vanilla CSS, and JavaScript for my final year project.

BOOKVERSE

Design and implement an e-commerce website tailored for book sales using HTML, Vanilla CSS, and JavaScript. Integrated a swiper carousel using the Swiper-JS library to enhance the user experience.
