

Mohd Aadil Siddiqui

I am actively seeking a thrilling and dynamic opportunity to apply my skills and experience, driving impactful results. I am enthusiastic about joining an organization that champions innovation, continuous learning, and personal growth.

Projects

MY OWN PORTFOLIO

Design and develop my portfolio to effectively showcase my top projects and highlight my expertise in different skills.

ACERS

Led a team of 4 members to develop a state-of-the-art e-learning platform using HTML, Vanilla CSS, and JavaScript for my final year project.

BOOKVERSE

Design and implement an e-commerce website tailored for book sales using HTML, Vanilla CSS, and JavaScript. Integrated a swiper carousel using the Swiper-JS library to enhance the user experience.
